COLLECTION DRIVE WITH JAIN INTERNATIONAL WOMEN'S ORGANISATION (JIWO)

We conducted a collection drive with Jain International Women's Organisation (JIWO) – Ahmedabad chapter wherein various items such as women's apparels, stationery, books, accessories, water bottles and bags were collected. More than 800 such items were collected through the massive collection drive. We are grateful to the Ahmedabad chapter for JIWO for this donation.

WE ARE GRATEFUL TO OUR INDIVIDUAL DONORS THIS MONTH

STAR VOLUNTEERS OF THE MONTH

Students of Ahmedabad University, 14 students from Ahmedabad University assisted in the entire pre sale process from conducting collection drives in their hostels to conducting slum recce, sorting of items and participating in slum sales. We appreciate their time and engagement with India Recycles campaign.

India recycles is a campaign which aims to promote the sustainable model of reusing & recycling of products through the collection & sale of various pre-owned items, which are received as donations. The target is to bring awareness about sustainability to every community, class and society of the city.

We want to encourage the idea of recycling, pretty much everything!
